

## Texas Trust Credit Union Youth Spotlight Application

**Levitt Youth Spotlight**, presented by **Texas Trust Credit Union**, was launched in 2024 to create an opportunity for our community's young music artists to gain professional performance experience. Since the program launched, 37 young performers from Arlington and surrounding areas have participated, taking the stage as part of Levitt Arlington's Free Concert Series. The program is designed to educate young artists and give them an overall feel for what it is like to book, prepare for, and play a professional gig.

### **Eligibility:**

Levitt Youth Spotlight highlights all performers from the ages of 6 to 22.

### **About the experience:**

Levitt Youth Spotlight performances are guided through this experience by Levitt Arlington team members, who regularly produce live concerts and events. Selected performers receive a performance contract in advance, a day-of schedule, and the opportunity to perform on the Levitt stage

### **Performance details:**

Levitt Youth Spotlight artists present a 10-minute, two-song set before the opening act of a concert during Levitt Arlington's signature free concert series.

### **Compensation and exposure:**

Each Youth Spotlight set is livestreamed on Levitt Arlington's Facebook and YouTube channels, allowing friends and family to tune in from any location and creating a recording that young artists will receive and can use for promotion. Spotlight artists are paid \$100 via check on the day of the performance. On top of this, Levitt also provides digital marketing through social media, Email Newsletter, and through the Levitt Website and Levitt app. The artists leave the experience with professional photography, video recording, and can use all the material to help launch them into the music industry."
